

## Home Groups

As we journey with Christ, we all come across questions about life or about aspects of the faith of the church. Church services are not always the most convenient moments to ask these questions. However, the intimacy and informality of a home group is the perfect environment to search for answers and to commit to prayer with others those things which trouble us personally.

We currently have 5 small groups meeting in homes around the benefice. The purpose of these groups is for members to encourage and support each other in prayer and in practical ways, to study the Bible and learn together what it means to follow Jesus in the 21st century. We commend membership of a home group to everyone.

If you are not currently a member of one of these groups but would like to find out more, please ask any one of the group contacts or members.

Please note the dates of the group meetings may change at short notice

## Discipleship: A Personal Journey

We gather as a crowd on a Sunday, and as small groups during the week, but we are called to follow Christ as individuals in our daily life. Without discipline, this is hard for us, and we can quickly fall away.

To help with this, you might like to check out **The Quiet Room** on the church website ([www.hwwchurch.org.uk](http://www.hwwchurch.org.uk)).
