

Critical Information for All Christians

In the academic year 2011-12, to tie in with 2011 being “The Year of the Bible” (400 years since the publication of the King James Version), our ESSENTIALS presentations are about the way in which we handle the book of our faith.

It is widely documented that the Bible is the best-selling book of all time. Some wag once said that it is the best-selling, least-read book of all time. If this is true, this is a complete tragedy, for the Bible contains not only some excellent stories, but heavenly wisdom for earthly life and, above all, all that is necessary to make us wise for salvation through Jesus Christ (2 Tim 3:15).

*We meet at the St Francis Chapel, Hunsdon at 8pm.
Light refreshments are served from 7:45pm.*

“How to Read the Bible” – Part 2: 16th May 2012

Speaker: David Todd.

In the second of two sessions, David will turn our attention to the Old Testament and how we, as Christians, can best learn from it.

“Tracing a Bible Theme”: 4th July 2012

Speaker: Michael Farrier.

Michael is our current placement student from Oak Hill Theological College. His presentation will show us how we can trace the theme of “God gathering his people” through the whole Bible and what we can learn from doing this.
