

The Psalmist said, "Unless the Lord builds the house, its builders labour in vain." (Psalm 127:1)

Accordingly we are committed to offering all of our business to God in prayer, and set aside time to pray together for the church and the world.

PRAYERWORX is one part of our midweek prayer ministry alongside "Parish Prayers" and the Prayer Boxes (including the online box). As an integral part of *Project Integr8*, PRAYERWORX plays an important role in the ongoing development of the mission of the churches in this benefice.

We have found that the world looks very different when we are down on our knees. We hope you will join us:
