

Every year, Hunsdon Church put on a Holiday Club for primary school aged children from 5 years of age. Unlike many similar holiday-time activities, this is free to all participants.

The club, which runs on weekday mornings during the first full week of the school summer holidays offers the children the chance to:

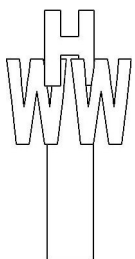

- listen to stories
- watch films and/or dramatic performances
- sing and dance
- play silly, messy games and running around games
- engage in a range of craft activities
- work on puzzle sheets and team exercises
- discuss in groups things that matter to them.

At the heart of the club is the teaching of the Bible, and creative, contemporary settings ensure that the children can connect its message with today's world.

This year the theme is “On Your Marks.”

Children will be invited to join up with other athletes and take part in the “Global Games” (does this sound at all current?!). As they do, they will discover what it was like for the disciples to follow Jesus. They’ll also find out what it means to be on Jesus’ team today. We look forward to welcoming regulars and newcomers!
