

Every year, Hunsdon Church put on a Holiday Club for primary school aged children from 5 years of age. Unlike many similar holiday-time activities, this is free to all.

The club, which runs on weekday mornings during the first full week of the school summer holidays offers the children the chance to:

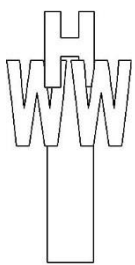

- listen to stories
- watch films and/or dramatic performances
- sing and dance
- play silly, messy games and running around games
- engage in a range of craft activities
- work on puzzle sheets and team exercises
- discuss in groups things that matter to them.

At the heart of the club is the teaching of the Bible, and creative, contemporary settings ensure that the children can connect its message with today's world.

**This year the theme is “Story Keepers.”**

It is AD64 in Rome. The Emperor Nero has gone mad and decided to get rid of the pesky Jewish sect known as Christians. He has ordered they are all to be killed; either by the swords of the Roman soldiers or by hungry lions in the arena! But the Christians aren't easy to scare. Find out how these Storykeepers keep the life-changing stories of Jesus alive from one generation to the next. Hope you can join us!
